## Analysis

The response obtained from ex-students of our college regarding the quality of education in the college is quite satisfactory. The skills attained by the students are quite useful to them in their professional career. But the response also implies that there is a need for introduction of the new facilities to support the teaching learning process as well as the upgradation of the existing amenities from their response regarding the improvements in the college since their passing out from the same. Effectiveness of the college in preparing them for the job market is also graded by most of the students in average. The availability of resources and support is satisfactory though there is scope for development. The response obtained regarding various college facilities like library, classroom, sports, canteen and other indicate the need for rigorous upgradation. The students response regarding introducing new programmes, courses and the need to enhance academic and extra-curricular experience shows the urgent need for the same. Alumni response regarding their participation in various programmes in the college reflects their keen interest for the same.

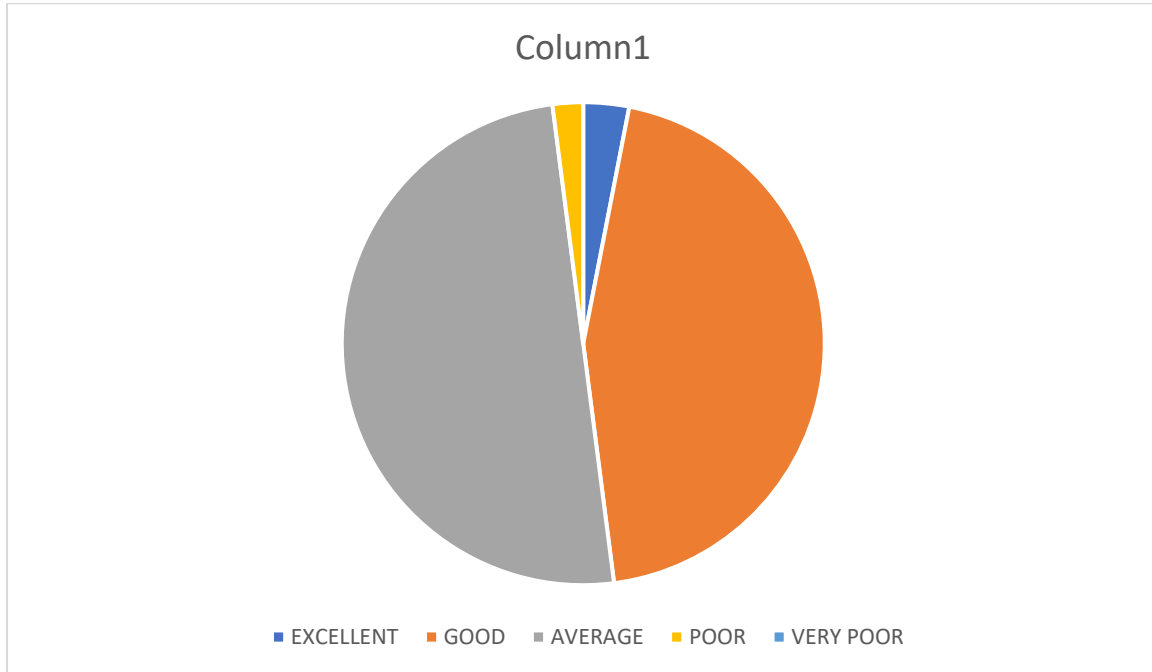

## Action taken

- 1) Initiatives for the opening of new subjects namely Education (Hons & Pass) and Physical Education Pass taken through proper channel
- 2) Computer learning review committee to review computer learning related course matters
- 3) Works related to building maintenance done for the allotment of additional classrooms.
- 4) Necessary initiatives to maintain sufficient teachers in terms of appointing guest teachers in order to ease the teaching learning process is done.

JAMALPUR MAHAVIDYALAYA
