PARENT FEEDBACK ANALYSIS WITH ATR FOR THE SESSION: 2022-23
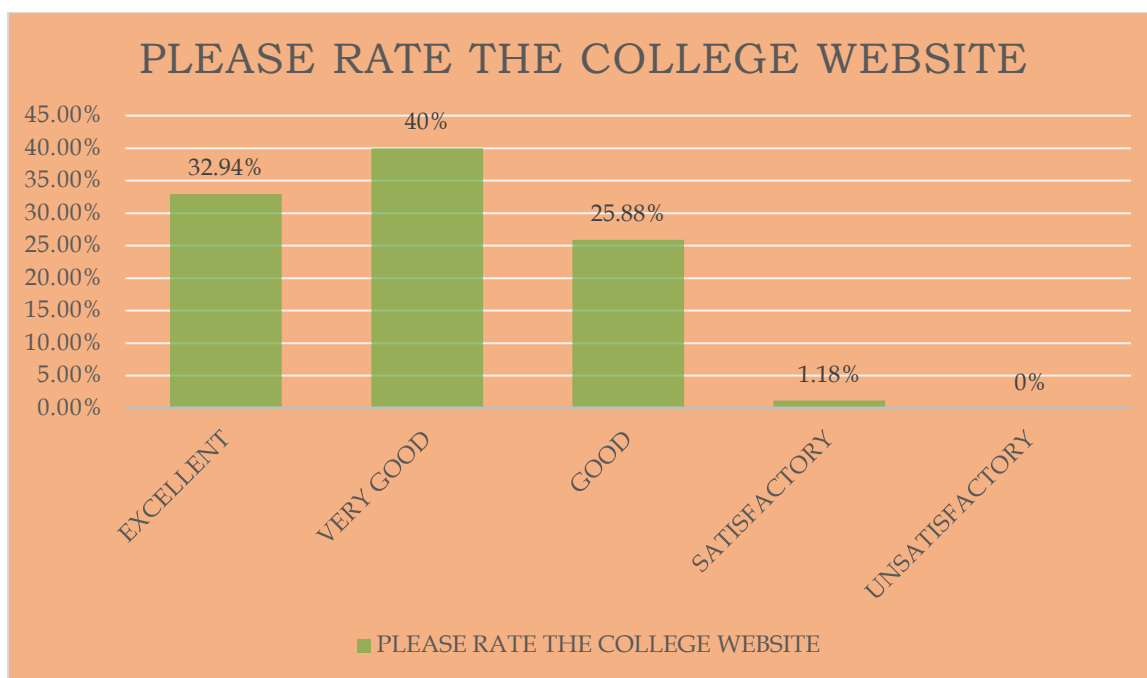

Parent Feedback on "THE COLLEGE WEBSITE"

 The overall feedback is overwhelmingly positive, with over 98% of Parent rating the website as "Good" or better. The college website seems to meet or exceed the expectations of most users. The minimal "Satisfactory" ratings suggest a very small group of users may have experienced minor issues or have higher expectations. The absence of "Unsatisfactory" ratings indicates that there are no major flaws or issues with the website from the respondents' perspective.
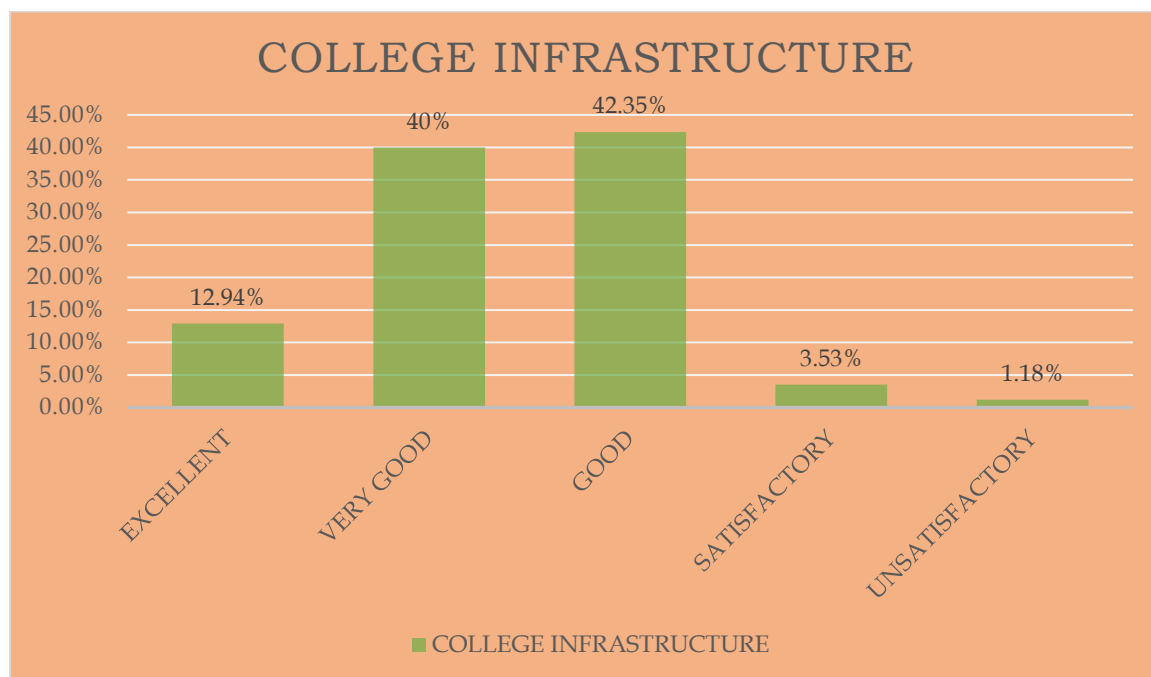

TEACHING AND LEARNING OF THE COLLEGE
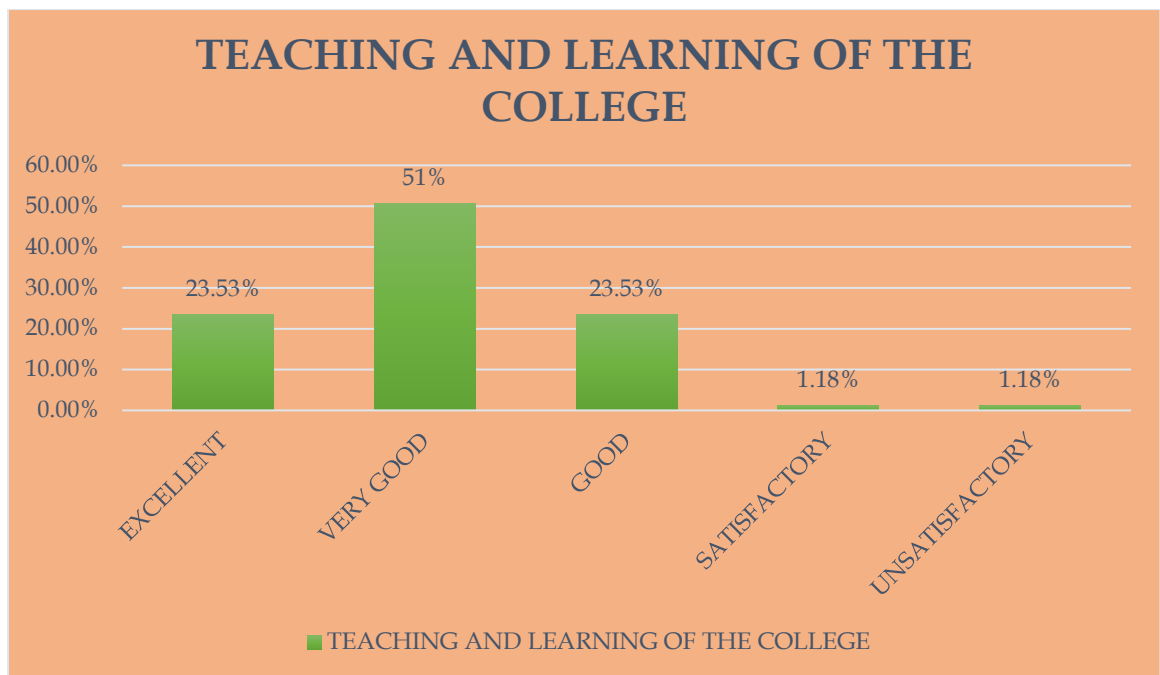

Parent Feedback on "TEACHING AND LEARNING OF THE COLLEGE"

The overall feedback is highly positive, with nearly 98% of respondents rating the teaching and learning experience as "Good" or better. The college's teaching and learning practices are well-regarded, but there is a small percentage of users who are less satisfied. The presence of "Satisfactory" and "Unsatisfactory" ratings, although minimal, indicates that there are some areas where improvements could be made.
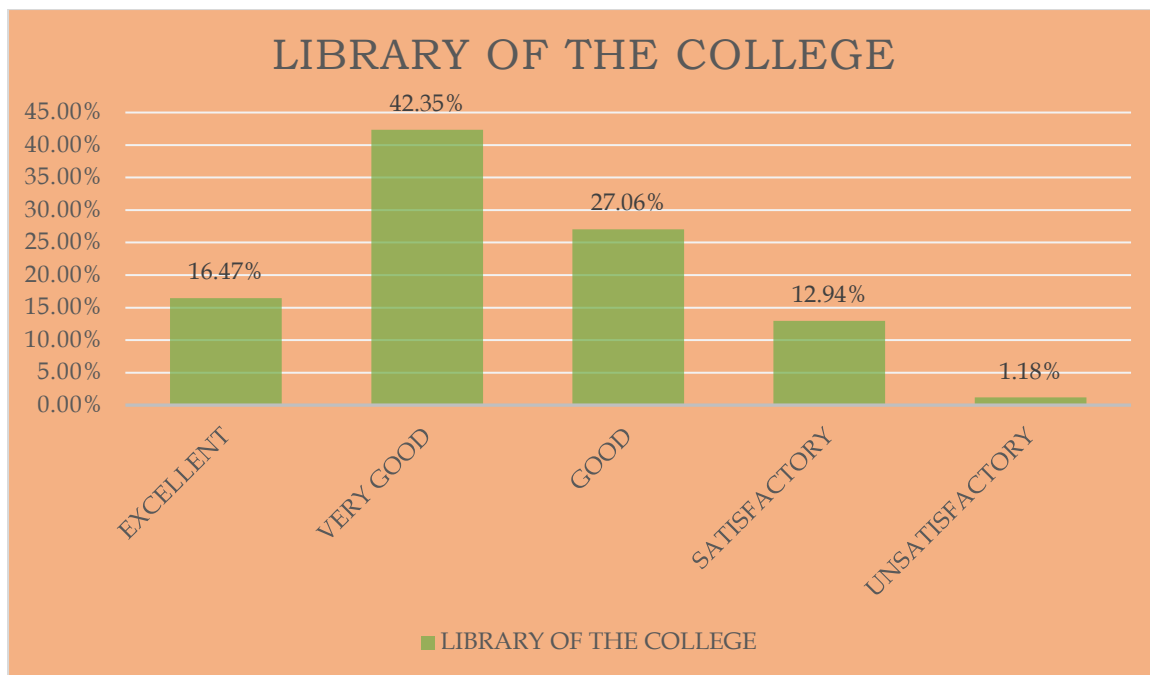

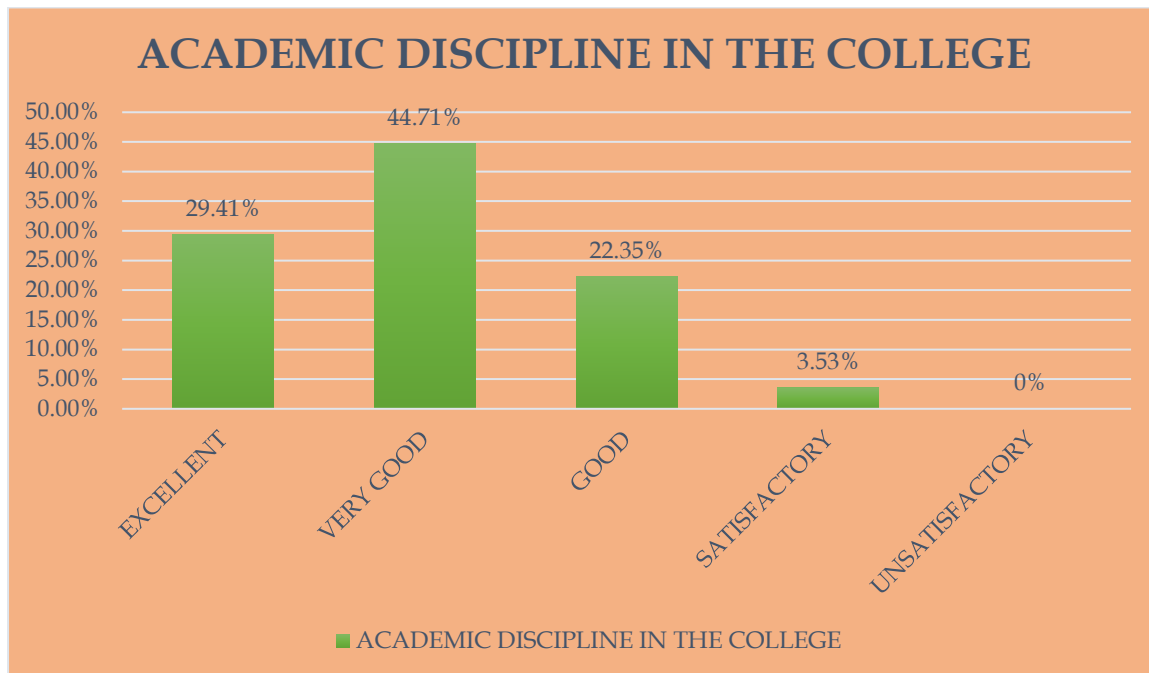

Parent Feedback on "LIBRARY OF THE COLLEGE"

The overall feedback is positive, with around 86% of respondents rating the library as "Good" or better. While the majority find the library to be very good or excellent, the higher percentage of "Satisfactory" ratings compared to previous categories indicates some areas needing attention. The presence of "Unsatisfactory" ratings, although small, points to certain issues that need to be addressed.
