All students and staff are informed that Jamalpur Mahavidyalaya is joining the nationwide campaign “Azadi from Waste”, organised by the Start Up Foundation, as part of the Pre-Independence Day celebrations.

This drive encourages everyone to responsibly dispose of e-waste (like old phones, chargers, cables, batteries, etc.) and solid waste (like paper, wrappers, broken pens, and plastic items).

Details of the Waste Collection:

Last Date to Submit Waste: 14 August 2025

**Two separate bins will be placed on campus:**

**One for students**

**One for teachers and staff**

Please bring any small items of solid or electronic waste from your homes or classrooms and drop them into the appropriate bin. Help us keep our environment clean and learn the importance of proper waste disposal.

Certificates and appreciation materials will be provided by the organisers to the college and active participants.

Let us all take a step towards a cleaner and greener India.
