

JAMALPUR MAHAVIDYALAYA
DEPARTMENT OF POLITICAL SCIENCE
DEPARTMENT & FACULTY PROFILE

Introduction of the department:

1. Year of Establishment: in July 2009 as General program, and in June 2011 got permission from the affiliated university to offer Honours program.

2. The Department of Political Science currently provides BA Honours and BA Programme courses under the Choice Based Credit System (CBCS), along with Political Science Major and Minor programmes as per the guidelines of the University of Burdwan for National Education Policy (NEP) 2020. The department presently consists of one permanent faculty member and two SACTs. all of whom possess significant teaching experience. In addition to the core curriculum, the department offers specialized elective courses exclusively for its students, covering topics such as Political Theory, Indian Government and Politics, Good Governance, Public Policy, International Relations, Indian Foreign Policy, Globalization, and Research Methodology. Furthermore, the department provides interdisciplinary, skill-based, and value-added courses for the students of other departments.

The department trains and prepares students in youth parliament activities. Students of the department are also actively involved in various other extracurricular activities such as NSS, departmental exhibition, quiz, debating, dance, sports, etc. The department every year observes constitution day on 26th November in the department to inculcate values enshrined in the constitution of India. The students of the department since 2023 started to bring out an annual wall magazine named **REPUBLIC**, where students and faculty members will get an opportunity to express themselves creatively and critically.

Vision & Mission of the department: Mission: Our mission is to cultivate a deep understanding of political science among undergraduate students by providing comprehensive education, fostering critical thinking skills, and promoting engagement with contemporary political issues. We aim to empower students with the knowledge, analytical tools, and ethical awareness necessary to contribute positively to their communities and the broader world.

Vision: Our vision is to be an undergraduate political science program that produces well-rounded graduates who are equipped to decipher the complexities of the socio-political landscape with integrity and expertise. We aspire to cultivate human-characters who are committed to promoting social justice, advancing democracy, and shaping a more equitable, sustainable & peaceful future for all.
